## Diamondtread Stair Treads w/ Grit Strips

The deep diamond groove pattern on the Diamondtread Stair Treads combines beauty and durability by allowing dirt and debris particles to fall beneath the tread's walking surface, which increases traction and minimizes wear while the high-traction grit strips provide enhanced slip-resistance and can meet Visually Impaired requirements.

- Adjustable square or curved nosing, which allows fit on stairways designed for safety and aesthetics.
- Extra thick front edge tapers to smooth rear border, makes cleaning easier. Easily clean surface with broom or damp mop.
