Ribread Stair Treads

Ribread Stair Treads offer an attractive, easy to clean, horizontal bar pattern, with a tapered return nose for better fit and superior traction.

- Easily trim to exact size of steps. The tapered nosing insures a better fit while the smooth rear border allows for easy cleaning.
- Ideal for use in heavily traveled public stairways.
- Molded of top quality, homogeneous rubber, free of asbestos and with the color extending throughout the thickness.
- Easily clean these rubber treads with broom or damp mop.
- 7" Cove Risers (1/8" thick) are available.
