

Waterhog Classic Entrance Mats

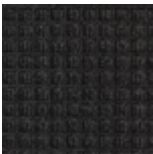

Waterhog Mats are the most popular entrance mats in the industry. Due to their raised square design, Waterhog floor mats are extremely aggressive in scraping shoes clean of all grit, grime and water. The Waterhog mat also features a water dam border that holds up to 1.5 gallons of water per square yard.

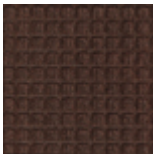

- Waterhog mats feature a unique raised square pattern which effectively removes dirt and moisture from feet
- Surface of the Waterhog floor mats are constructed from an anti-static polypropylene fabric that dries quickly and will not fade or rot, making it a perfect floor mat for indoor or outdoor applications
- The Waterhog mats are rubber backed and bordered, providing for long life
- It is easy to clean the Waterhog mats, simply use vacuum, extraction cleaning methods, or hose off and hang to dry
- Waterhog Classic Entrance Mats are now made with 20% post-consumer recycled content.
